

## STATEMENT OF PURPOSE

RS29521 / S1299

This legislation will allow for the Board of Architect Examiners, under the Idaho Division of Occupational and Professional Licenses, to enter into a mutual recognition agreement with another state, territory, jurisdiction, or country. The legislation allows the State of Idaho to enter into a mutual licensure recognition agreement with Canada and have mutual recognition of both Idaho architect licensees working into Canada, and Canada architect licensees working into Idaho.

## FISCAL NOTE

This legislation will have no impact on the State's General Fund or federal funds. Entering into a mutual recognition agreement with another state or country is expected to be revenue neutral for the Division of Occupational and Professional Licenses dedicated fund based on the experience of similar agreements of other Idaho professional licensing boards, while saving individual licensees both time and fees.
